Re: Case No: FIFRA-04-2021-0715
Partial Termination to Stop Sale, Use, or Removal Order

Dear Mr. McCarthy:

Enclosed is a Partial Termination to the Stop Sale, Use, or Removal Order (SSURO) (hereinafter "Partial Termination") that the U.S. Environmental Protection Agency is issuing to Seal Shield, LLC (Seal Shield), pursuant to the authority set forth in Section 13 of the Federal Insecticide, Fungicide and Rodenticide Act as amended (FIFRA), 7 U.S.C. § 136k. This Partial Termination shall become effective immediately.

Pursuant to the Partial Termination, the EPA is terminating the provisions of the SSURO issued to Seal Shield on June 24, 2021, which prohibit the sale and distribution of the product identified in paragraph 36 of the SSURO as the "ElectroClave" device. The Partial Termination does not apply to the unregistered pesticide products, identified in paragraph 27 of the SSURO. All of the provisions of the SSURO applicable to the unregistered pesticide products remain in full effect unless and until the EPA revokes, terminates, suspends, or modifies the SSURO.

The Partial Termination is not a waiver by the EPA of any enforcement or other authority available to the EPA under FIFRA, nor shall it act to release Seal Shield from any potential liability for violations of FIFRA that may have occurred prior to, or subsequent to the issuance of this Partial Termination.

Any violation of the terms or provisions of this Partial Termination or any of the remaining applicable provisions of the SSURO may result in the initiation of an enforcement action seeking the imposition of civil penalties up to a maximum of \$20,528 for each violation, or, for knowing violations, criminal penalties as prescribed in Section 14 of FIFRA, 7 U.S.C. § 136l.

Please contact F. Marshall Binford of the EPA, Region 4 at (404) 562-9543 or via email at binford.marshall@epa.gov if you have any questions or concerns regarding the Partial Termination.

Sincerely,
